SUMMARY

Web Developer and MCA student with hands-on internship and project experience. Passionate about creating responsive, user-friendly web interfaces and delivering clean, efficient solutions.

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, Java, Laravel, Node.js, Express.js, MySQL

Frameworks: React, Tailwind CSS, Vue.js

Tools: Git, VS Code, Figma

Soft Skills: Time Management, Teamwork, Creativity

INTERNSHIP

Web Developer Intern, Intellogic Software Pvt. Ltd. (On-site)

May 2025 – July 2025

Completed one month of intensive training in Vue.js and Laravel, followed by hands-on development work in the MyDoctor project, where I contributed to various submodules.

Frontend Developer Intern, Vinyasa Tech Solutions, Mangalore(On-site)

Oct 2024 – Nov 2024

Worked on developing responsive user interfaces using React and Tailwind CSS. Contributed to a Myntra front-end clone as part of a 6-member team and also developed a standalone CRUD-based To-Do List application.
